*Summer Reading is for everyone — together  
we play, learn, share stories and ideas.  
In so doing, we create stronger bonds to  
help build a better world.*

The Friends of the Arlington Public  
Library will donate money to help UNICEF for each  
person who finishes at least one summer  
reading challenge.

# New App Puts the Library at Your Fingertips

**ACCESS THE LIBRARY ON THE GO**

Arlington County’s newest free app puts the public library within reach of iPhone and Android users wherever they may be. App users can navigate and perform tasks such as catalog search, multiple accounts management, meeting room booking, and access library information and operating hours. Browse featured events, news and popular booklists.

The app takes advantage of several mobile-specific features such as barcode scanning, push notifications when holds are ready or accounts overdue, and geolocation to the nearest library.

Search “**Arlington Public Library**” in the Apple App or Google Play store to download the app.

Track your Summer Reading activity on a paper log or online at [library.arlingtonva.us/summer-reading](http://library.arlingtonva.us/summer-reading). The app does not replace the summer reading webpage.

# Summer Outdoor Activities

**THE SHED AT CENTRAL LIBRARY**

The Shed is open March through November. It is available to Arlington residents and property owners, age 18 and over, with a Library card. Free tools can be borrowed for 7 days, with one renewal. Visit [library.arlingtonva.us/shed](http://library.arlingtonva.us/shed) for more information.

**GARDENING AT THE LIBRARY**

Visit the gardens at Central, Glencarlyn and Westover libraries. Weekly garden talks are held at Central Library every Wednesday at 7:00 p.m. Garden talks and activities are led by volunteers and staff from Arlington Food Assistance Center and the Virginia Cooperative Extension’s Master Gardeners. Visit [library.arlingtonva.us/explore/gardening-and-urban-farming](http://library.arlingtonva.us/explore/gardening-and-urban-farming) for more information.

**BIKE MAINTENANCE**

Learn basic bicycle maintenance and how to make minor repairs yourself. Register for a 30 minute instruction session at [arlingtonva.libcal.com/appointments](http://arlingtonva.libcal.com/appointments).

We have plenty of tools to borrow at the Shed. Check out our Garden Tool Lending Library at [library.arlingtonva.us/shed](http://library.arlingtonva.us/shed).
