VIRGINIA ROOM PHOTOGRAPHIC COLLECTIONS

USER AGREEMENT

The Virginia Room has collected photographs from a variety of private and public sources. Reproduction of material from this collection is provided as a service to our patrons. For many of the images, the Virginia Room (Arlington County Public Library) does not have the reproduction rights or the information available to determine copyright status. It is, therefore, the patron's responsibility, when appropriate, to determine the copyright status and to obtain permission to reproduce.

The Library reserves the right to refuse to reproduce any material, including material obviously copied from other sources or institutions. Any use of the photographs should include the following credit line: **Virginia Room, Arlington County Public Library**.

Permission is given for *one-time use only* of reproduced images.

When possible the patron should provide one copy of any publication, poster, brochure, etc., in which the images are used.

By this signature, I, \_\_\_\_\_, the recipient of this/these reproduction(s) assume full responsibility for any and all infringements of the copyright laws of the United States and any foreign copyright laws, including international treaties and conventions. I also agree that permission to use the image(s) extends to only one instance of use.
