Arlington Central Library DIY Tax-Aide

**Do-It-Yourself
Tax Preparation Service**

**Tuesdays, 1:30 pm – 7:00 pm
Thursdays, 1:30 pm – 5:00 pm**

February 10 – April 14

1015 North Quincy St, Arlington

If you wish to participate:

- Your Adjusted Gross Income for last year must be under \$89,000.
- You must be able to do your own data entry into the free tax preparation software we provide. The Tax-Aide volunteers will answer your questions, but they will not prepare the return for you.
- You must have all your necessary tax documents available and be ready to file your return.
- You must start your tax return at our site, but you may finish it at home if you have internet access and a computing device.
- If you are not comfortable with entering your own data into an online software program, you may bring a trusted friend or relative to assist you.
- You will be responsible for the completeness and accuracy of your own return.
- You will be able to print a copy of your tax return.
- You will have online access to your return until October, 2026.
